Reflector.

—A busy day.

—Easter Sunday, to-morrow.

—State Senator S. L. Lord was in the city to-day.

—The alarm of fire this morning started everyone on a run.

—Grand display of new style spring hats, to-morrow, if the weather permits.

—There will be a regular meeting of the common council, on Monday evening.

—There were no bids for the lease of grounds of the Rock county agricultural society received by the committee, consequently the grounds were not rented to-day.

—The timbers of the old wooden railroad bridge have been removed, and the new iron structure is completed, and presents an imposing, strong and durable appearance.

—Mr. C. A. Smith, of the third ward, died this morning at half past seven o'clock, after an illness of several months. The funeral will take place at half past three Sunday afternoon.

—By reference to the call for the republican city convention it will be seen that the committee have changed the basis of representatives, giving the first and fourth ward five delegates; the second and third wards four, and the fifth ward two.

—The Congregational society held at the chapel last night, was a very successful affair. Nearly two hundred were present. There was served a sumptuous supper, and the choir furnished some excellent music. It was a social feast in all respects.

—Remember the social dancing party of the St. Patrick's T. A. & B. society, at the Rittles' armory, on Monday evening next. The society always entertain pleasantly, and the coming party will equal, if not surpass, any heretofore given. Anderson's band is a part of the programme.

—Owing to the death of John K. Leech, there will be no exhibition at the roller skating rink this evening. The proprietors of the rink—Messrs. Smith & Richardson—wisely decided to give no exhibitions during the day on account of the calamity that has befallen Mr. and Mrs. Leech. Next Monday the rink will be opened as usual.

—There was a large attendance at the maple sugar party at In Prairie grange hall last evening, many young people from this city being present. The Light Guard band furnished the music. The supper was provided by Messrs. Parker & Evenson, the main street caterers, and was all that could be wished. The party was a success.

—The insurance on the stock of goods of Messrs. Parney & Nesslerode, No. 23, West Milwaukee street, where the fire occurred on Thursday night, was insured for \$2,600, in the companies represented by Messrs. Dimock & Hayner, \$800; Mr. L. B. Kinney, \$800 and Mr. S. Straus, \$1,000. The loss was settled at \$175. The firm resumed business this morning.

—At 9:30 o'clock this forenoon the bell of St. Patrick's church was struck in rapid succession for several minutes; people on West Milwaukee street started for the engine houses crying "fire!" the fire bells joined that of St. Patrick's, and a general alarm of fire was sounded. The department hurried away to the Catholic church; on their arrival at that edifice they learned that the bell was rung in commemoration of Holy Saturday, and that there was no need of the fire apparatus in that vicinity at that time. Damage to the department about \$25, with no insurance.

The Keystone of Health.

How can you expect to feel well, or even enjoy life, when you go about with a hacking cough? The fool in his wisdom, says there is no cure for it, but the wise man hires him to Stearns & Baker's drugstore, and gets a bottle of Dr. Bigelow's Positive Cure, and at once gets well. A trial bottle costs nothing.

Died from Exposure.

The unknown man found yesterday morning on the banks of Bass creek, near Afton, has been identified as John K. Leech, son of Mr. and Mrs. Thomas Leech, of this city.

Yesterday afternoon, Officers Drake and Justice A. D. Wickham, of this city, went to Afton for the purpose of holding an inquest. At Afton a jury consisting of Messrs. T. R. Taylor, A. R. Waite, J. T. Waggoner, E. Richter, John Kilmer, and O. F. Watt, were summoned, and after examining the body of the deceased, and listening to the evidence, returned a verdict that the deceased came to his death by exposure.

The body was not identified by any of the jury or the witnesses, but it was ascertained that instead of being a man of thirty, his age could not be over eighty. When this news reached the city at about five o'clock, Mr. Thomas Leech feared that the unknown dead might be his son, who left the city on Thursday afternoon in a boat, for the purpose of visiting his grandfather, Mr. Sheehan, who lives near Bass creek. John had secured a shot gun, and intended to try his luck at hunting. Mr. Leech at once procured a team and with his wife, intended to Afton to ascertain the truth. alas, the unknown dead was immediately recognized as their son, who on the evening before had parted with them in the city. The remains were immediately brought to the city, and when the sad news became known the sorrowing parents were the recipients of the sympathy of the entire community. How the young man came to his death, will perhaps never remain a mystery. He has not been in robust health for some time, and he must have fallen into the water, and as the verdict of the jury indicates, died from exposure.

The funeral will be held at St. Mary's church at half past two o'clock to-morrow afternoon.

Personal.

—Assemblyman John Conley, of Clinton, was a caller at the Gazette office to-day.

—Mr. Charles Wintermute and Mr. Fred Malvern will start on Monday next for Port Dodge, Iowa.

—W. H. Remington, of the Herald, Omaha, Nebraska, was a pleasant caller at the Gazette office this morning.

—Mr. Fred Hastings has gone to Wisconsin for the purpose of engaging in the jewelry business with his brother.

—Hon. Clinton Babbitt, secretary of the state agricultural society, was among the callers at the Gazette office to-day.

—Dr. Brewer will be at the Myers house this evening and to-morrow, where he may be consulted by the sick, free of charge.

—The Hon. John Huntly of the first district, and Hon. John Bolander, of Monroe, both members of the assembly, were in the city to-day, and called at the Gazette office.

—Dr. M. A. Newman and Mr. J. B. Doe, Jr., went to Chicago to-day where they will spend Easter. While in the city they will look after some costumes for their character ball which takes place at the Guards' armory.

—Dr. Henry H. Roger, surgeon United States army, who has been in the city for some days visiting relatives and friends, left last evening for Fort Totten, Dakota.

—Dr. Ringer has been in practice in the army for over twenty years.

—Mr. John Bauman is looking through the clothing establishments of the city quietly, to find a suit of clothes for his thirteen-pound boy, who arrived at his home on Wednesday evening. John says there is nothing small about him, and he proposes to dress the youngster up as soon as he can find a suit to fit.

—Colonel Britton, our member of the assembly, returned from Madison this morning. He reports that the water works amendment has been passed to a third reading in the assembly. The bill has been amended in several particulars. The filling of vacancies in the board of water commissioners has been amended, giving the people the power to elect; the fire department and water fund has been limited to ten thousand dollars, exclusive of interest on bonds, and several other amendments have been made in the bill to meet the views of those who favor the putting in of water works by a company. The bill, in its present shape, will probably become a law.

The Weather.

REPORTED BY FRANKLIN & EYENSON, DRUGGISTS.

The thermometer at seven o'clock this day morning registered 20 degrees above zero and at one p. m. at 44 degrees above. Partly cloudy. Southerly wind. For the same hours one year ago the register was 18 and 28 degrees above.

WATERGATE, March 24, 1 a. m.—The following are the indications for to-day: Upper Lake region—Warmer, fair weather, followed by local rains, southerly winds, and lower pressure.

Fourth Ward School Commissioner.

Some of the electors in the fourth ward have inquired why the city clerk does not give notice for an election of school commissioner in that ward to fill the unexpired term of ex-commissioner E. C. Smith. Upon referring to the city charter section 6, chapter 2, we find that all such vacancies are filled by the common council. The city clerk being "posted," did not include the fourth ward commissioner in the election notice. The council will undoubtedly elect a commissioner to fill the unexpired term, on Monday evening.

Kicked Out.

How many people there are who are struggling to rise in this world that are kicked down and out by envious rivals. Thomas' Electric Oil never "kicked out" its patrons. It is true blue. For throat affections, asthma, catarrh it is a certain and rapid cure.

The Pathfinders.

The Jolly Pathfinders gave a performance to only a fair sized audience at Myers' opera house, last night. Of course there was a good deal of fun scattered through the performance which kept the audience in almost constant laughter. There were some excellent musical selections—songs picked up from various comic opera—but the singing was not up to the average. But what the performance lacked in this respect it made up in the laughable and mirth-provoking parts, with which the programme was well filled. J. N. Rentfrew, the irrepressible ebony servant, was at his best, and delighted the audience immensely. The musical specialties of Harry Leopold and E. C. Smith, were very fine, and were richly enjoyed by the audience. All in all, it was a good performance, one which merited a full house.
